Featuring the music of

**SLOHS All Star Alumni Band**  
**& The San Luis Obispo High School Jazz Band**

To our friends in San Luis Obispo:

Imagine a parade in downtown San Luis Obispo with no marching band, just floats and people on horseback quietly filing by, a football game with no music driving the team on, or a high school graduation with students entering the ceremony in silence without *Pomp and Circumstance* playing in the background. When you stop to think about it, our high school band provides the soundtrack to many of our hometown memories. The band members and the music they play enrich our lives. Now, you have an opportunity to help them out and show them that you appreciate the music and tradition they add to our lives.

SLO-IMBA is sponsoring *Jazz at the Monday* on October 11 in at the Monday Club on Monterey Street San Luis Obispo. As part of the fun we will be raffling off prizes. We are looking for raffle items to be donated. If you can donate an item, gift basket, or service, please let us know. SLO-IMBA is a California non-profit organization and your donation will be tax deductible.

SLO-IMBA wants to encourage all of the children in our community to participate in a music program at school and we want to retain the band members that we have. One of the ways we do this is by engaging the students in competitions in other areas and by sending our band members to Band Camp where they learn to march in formation and hone their playing skills. These activities require funding.

*So, if you are able to help with a donation of cash or an item for our upcoming silent auction and raffle, please do so!*

Cordially,

San Luis Obispo High School Band Parent
