The **San Luis Obispo Instrumental Music Boosters Association (Band Boosters)** would like to extend our request for your involvement in this organization. What better investment can we make as parents than spending time with our kids? Please consider becoming a Band Booster.

JOIN THE BOOSTERS!

The Booster Club consists of parents, grandparents, band alumni, and interested community members working together to provide SLOHS Band students and staff with equipment, materials, transportation and instruction not normally available through school funds.

The Band Boosters provide

- ♪ Band equipment
- ♪ Half-time show props
- ♪ Funding for students to attend band competitions
- ♪ Instruction and coaching
- ♪ Scholarships for low income students
- ♪ & More!

Our ultimate goal is to support every request made by band faculty and students, which adds up to about \$1000 per student per year.

The success of the Booster Club depends on the volunteer efforts of its members to assist with fundraising, help with special events, and serve as committee members. Please indicate how you can help:
